

**APSC Records Request
Agency Request**

Pursuant to 13 AAC 85.010(f), a participating police department that has hired or is considering hiring a person, may, at the council's discretion, receive applicable information from an individual's file, if the information indicates the person might not qualify for certification as a police officer or if the information serves as the basis for a decision to deny or revoke a basic police officer certificate.

Pursuant to 13 AAC 85.210 (f), a correctional agency may, at the council's discretion, receive information that a person might not qualify for certification as a correctional, probation or parole officer, or that adversely reflects upon the person's ability to be a competent officer.

I, _____, representing _____
Requestor Department/Agency

am requesting applicable information for _____ pursuant to:
APSC Applicant /Employee (Full Name)
